TERMS & CONDITIONS

PRICE POLICY: All prices are subject to change without notice. While every effort is made to make our literature as accurate as possible, production and transportation costs may go up or down after printing, and pricing will adjust accordingly. Typographical errors are subject to correction.

PAYMENT OPTIONS

1) CREDIT CARD—Save on C.O.D. service fees using your Visa, MasterCard, American Express or Discover.

2) NET 30 DAYS to qualifying accounts. If you desire to establish credit, and your opening order will exceed \$500, please forward the names of five (5) suppliers for us to conduct a credit survey. Please allow five (5) business days.

3) C.O.D.—Cash not accepted. Maximum C.O.D. amount we accept is \$300.00. Please note that UPS charges \$8.50 and Marv-o-lus Mfg. Co., Inc. charges an additional \$2.75 per package for C.O.D. service—a total of \$11.25 per package. We offer C.O.D. service for UPS GROUND shipments only.

NO MINIMUMS — However, all orders that total less than \$50.00 are subject to a \$5.00 Service Charge.

ADDITIONAL FEES

\$2.25 HANDLING CHARGE added by Marv-o-lus for each package.

Additional UPS charges (such as the \$6.00 ADDITIONAL HANDLING charge, the \$40.00 LARGE PACKAGE SURCHARGE, or the FUEL SURCHARGE) will be added to the invoice, whenever applicable—See UPS website for details.

RESALE & TAX INFORMATION: Illinois customers are charged applicable taxes. If you are purchasing for resale and have an Illinois business, a completed Resale Form must be on file with us if you should not be charged tax.

SHIPPING INFORMATION: We ship UPS, or common carrier collect (when orders exceed UPS size & weight limitations). If you have a preferred truck line, please specify. Otherwise, we will select one for you. Regretfully we are not able to ship via United States Postal Service.

RESIDENTIAL/COMMERCIAL LOCATIONS—UPS charges more freight for residential deliveries than commercial deliveries. UPS defines a residential delivery as one made to a home, which includes a business operated out of a home. If your company qualifies for commercial delivery then you must inform us prior to shipping your order. Please Note: A \$10.00 charge back penalty will be applied per package to customers who claim they qualify for commercial rates when they really do not.

DAMAGED MERCHANDISE:

IF BY UPS—should damage occur in transit, notify us immediately so we can issue a claim with UPS. Do not return merchandise unless instructed by us. Save all packaging materials because UPS may return for an inspection.

IF BY TRUCK—do not refuse or return damaged goods to us. Note damage on both the driver's copy and your copy. Have the driver sign both copies. You can now file a claim with the carrier. If concealed damages are found, keep the carton and call the carrier to request an inspection along with an inspection report. We inspect all cartons before shipping, and the carrier is responsible for their safe arrival.

BACKORDERS: While we strive to maintain ample stock of all items in our catalog, occasional manufacturing delays or quantity requirements on production may limit quantities on hand. If this should occur, the backordered item will be shipped as soon as it becomes available. Separate shipping charges will be billed with each shipment. In regards to partial shipments, we reserve the right to ship partial without notice. If the backorder is large or affects the nature of the order, we will attempt to contact you.

RETURN POLICY: Unauthorized returns will not be accepted. Items unused, undamaged, and in original cartons may be returned within 15 days of receipt, and a 15% RESTOCKING FEE will be charged. Call us for a return authorization number (RA#) before returning any items. You will need to tell us the reason for the return, your order date, and the IV# that is found at the upper right hand corner of your Packing Slip. Returns must be shipped pre-paid to our factory warehouse at 220 NORTH WASHTENAW, CHICAGO, IL 60612 with the RA# and IV# appearing on all cartons. Please insure all cartons. The 15% RESTOCKING FEE will not apply if merchandise was found to be defective.
